

WEDDING PACKAGE 2017

Whisking you away to your never-ending love

It is said that marriages are made in heaven and celebrated on earth. This is because it is a special bond shared between two people, who tie the wedding knot after promising to be companions for a lifetime. It is the physical, mental and spiritual union of two souls.

The key to a successful marriage is love, understanding, mutual respect, trust, commitment and togetherness.

Have you ever tried defining the relationship between love and marriage? If yes, then you would have realised that both are synonymous to each other. Love is a dream and marriage is just an extension of this dream to reality. When both dream and reality come together, it is the best thing that can happen to a person.
